Dear Mr. Rios:

Proposed Minor Revision to Title V Permit for Eastern Municipal Water District (EMWD), Perris Valley Regional Water Reclamation Facility (ID# 07417)

Enclosed for your 45-day review is the proposed revisions to the Title V Permit for EMWD, Perris Valley Facility located at 1301 Case Road, Perris, CA. This revision is considered to be a minor permit revision, and a public notice is not required. As agreed, only the relevant portions of the revised permit are enclosed as shown below. Additional information, including engineering evaluation, will be submitted upon request.

**SECTION D PERMIT TO OPERATE**

| <b>Appl. No.</b>         | <b>Description</b>                                                                                                                                             |
|--------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 466470 & 466471          | Storage Tank, LPG (Previously 219 Exempt)                                                                                                                      |
| 485927, 485931, & 485932 | Change of Condition to operate at a single load, and Modification of Permit Description to add Air to Fuel Ratio Controller for an Internal Combustion Engine. |

The initial Title V permit for this facility was issued on October 31, 2008. Since then, the facility has requested a change in condition or permits to operate existing equipment, and filed these applications. The proposed changes will not result in emission increases.

This request is being made via electronic submittal in order to facilitate your review. If you have any questions or need additional information, please contact Mr. Ken Matsuda at (909) 396-2656 or by email at [kmatsuda@aqmd.gov](mailto:kmatsuda@aqmd.gov).

Sincerely,
